

Dear friends,

The Human Race is a walk in Santa Rosa to raise funds for local non-profit agencies. This year the race is on Saturday May 8, 2010. I will be walking to raise awareness and funds for the programs that Women's Cancer Awareness Group offers in our community.

My goal is to raise \_\_\_\_\_ (enter your goal here!) for my team. Would you kindly consider sponsoring me in this event? I would greatly appreciate you helping me reach my goal!
